Detroit, Oct. 12.-Detroit defeated Pittsburg 5 to 0 today and evened up the count in the world's cha thousand a ries, each team now having two visores, each team now having two visores, each team now having two visores, each time that the chilling temperature and freezing blasts, and the great majority of them feit well repaid.

Mullin's Pitching a Revelation. The American league champions out-The American league champions outcla sed the'c rivals in eve? depart
ment of the game and the pitching of
George Mullin will make one of the
brightest hits in the baseball history
of Detroit. It is hard to conceive of
any pitcher having his opponents more
at his mercy than Mullin had Pittsburg
today. There was never a moment
when he was not the absolute master
of the situation. He was at his best
with men on bases. Four hits represented the ability of the visitors, and
no two of those were made in the same
liming.

He Struck Out Ten Men. Mullin performed a feat in the third inning that will live long in the annals of baseball. He struck out the mighty Wagner with two out and men on sec-ond and third. That was a mighty feat, but just previously he had struck out Manager Clarke, a hard hitter, with men on first and second. A double steal on Clarke's third strike moved the men to second and third, where they died with Wagner. Leifield also was a victim on strikes in this same inning, giving Mullin three strike-outs

n one session. All told, he struck out Young Catcher Distinguished Himself.

Detroit scored because it was able to hit when hits spelled runs. Stanage, Jennings' young catcher, distinage, Jennings' young catcher, distinage, Jennings' young catcher, distinage, Jennings' young catcher distinated by sending Detroit's first two runs across the plate with a drive just out of Miller's reach. In the fourth inning Bush's ringing double into the overflow crowd in the left field scored another run, and it was immediately Young Catcher Distinguished Himself. another run, and it was immediately followed by another two bagger into the same place by Cobb.

Brilliant Ensemble Work. The onslaught by Detroit in the second and fourth innings drove Leifield from the slab. Phillippi, who succeeded him, was able to stem the Detroit tide, though they pressed him hard in the eighth inning. Eight hits were made by Detroit, and six of these came in the two innings when the scores were made. Only two hits were

wasted.

Aside from Mullin, there were no stars on the Detroit team, but their ensemble work was brilliant. Every man did the right thing at the right time, and only one fielding slip marred the otherwise perfect performance.

Even Money Now Offered. The cold apparently affected Pittsburg's fielding far more than it did that of Detroit. Six errors were charged to the Pittsburg infield, Ab-stein, Miller and Phillippi each getting stein, Miller and Phillippi each getting two. Only one of them, however, figured in the scoring. The conclusive victory of Detroit has toppled Pittsburg from its proud position as the favorite in the betting and even money is now being offered. The teams left for Pittsburg tonight and the fifth game will be played at Forbes field tomorrow. The scene will then shift back to this city, where the sixth game is scheduled for Thursday.

Detroit Celebrating the Victory. Detroit Celebrating the victory in Compose the style tonight. Hans Wagner at but was helpless before Mullin. The first time up he was lucky enough to draw a base on balls, but was forced out at third. The third inning saw his memorable strikeout. In the sixth he memorable strikeout. In the sixth he sent a hot liner into Tom Jones' hands, and in the ninth he was an easy out. Moriarty to Tom Jones. His best play of the day came in the fourth inning, when he fumbled a grounder by Stanage for the fraction of a second, recovered quickly and touched second, two ered quickly and touched second, forcing Tom Jones, and then throw to first in time to double up Stanage. If he had fumbled the grounder for an appreciable time longer, Detroit might have had many more runs, as three runs came after the double play.

An intercity duckpin series between New London and Norwich is to start next Friday evening at New London, having been arranged for here Monday night, when Manager Dalton of the Rose alleys, they agreed to run the series, and Dalton winning the toss, the first game will be in New London.

Because of the poor transportation facilities with Westerly, it was not thought advisable to count the Rhode Islanders in this time. By the way the local boys are picking up the pins now, it is thought they will have nothing to fear in meeting the New London-general and all records are expected to be toppeld over when they get together. Manager Dalton has now has his alleys sandpapered to discussing the composition balls, so that the Norwich bowlers will have conditions to suit themselves.

The records made in the local league last year, which they will be out to beat, are the following: Inddividual single 126, individual three string 239, team single 535, team three string 1510.
